# XPS 16

The iconic new XPS 16 delivers powerful performance your most demanding projects need now.

## Iconic design

Crafted with machined (CNC) aluminum and Gorilla® Glass 3 to deliver a strong, lightweight laptop. XPS is available in Platinum or Graphite with tone-on-tone finishes for an elegant, minimalistic design.

## Powerful creation

Run demanding apps smoother and faster with powerful Intel® Core™ Ultra processors up to 45W and swiftly edit and export videos with up to NVIDIA® GeForce RTX™ 4070 Laptop graphics. Up to 80W of sustained performance.

## Innovative interiors

Modern, easy to use interiors like the unique touch function row, seamless glass touchpad and comfortable keyboard deliver a clean, harmonious look and allow you to switch tasks effortlessly.

## Stunning display

True-to-life color and sharp detail on a large 16.3" InfinityEdge display plus incredible sound brings content to life, so you are totally immersed. Available with 4K+ OLED touch display option and quad speaker design.

| <b>AC ADAPTER</b>        | 130W AC adapter (USB Type-C™)  | <b>WARRANTY AND SERVICE</b>                    | 1 year of Premium Support standard; Optional hardware warranty extensions up to 4 years, Premium Support Plus also available.  |

## Important details

**Memory:** Graphics & System Memory: GB means 1 billion bytes and TB equals 1 trillion bytes; significant system memory may be used to support graphics, depending on system memory size and other factors.

**Hard Drives:** GB means 1 billion bytes and TB equals 1 trillion bytes; actual capacity varies with preloaded material and operating environment and will be less.

**Wi-Fi 7** requires Windows 11 version 24H1 Operating system and compatible router. Router requires a separate purchase. Wi-Fi 7 connectivity is only available in select locations. Check availability with your service provider.

The **Bluetooth wireless version** may vary depending on the operating system that is installed on your computer.

**Weights** vary depending on configuration and manufacturing variability.

**Ports:** 4070 configurations include 2x Thunderbolt™ 4\* (USB Type-C™) with DisplayPort 2.1 and Power Delivery + 1x USB 3.2 Type-C with DisplayPort 1.4 and Power Delivery

**Louder sound and deeper bass:** Based on internal testing, November 2023.

**Windows Studio Effects:** Windows Studio Effects (background blur, eye contact, voice focus, and automatic framing) are hardware dependent and require a qualified Neural Processing Unit (NPU).

**EPEAT:** EPEAT registration varies by country. Please see [www.epeat.net](http://www.epeat.net) for specific country registration and rating.

**BFR/PVC free:** XPS notebooks exclude BFRs and PVC from the core product per the INEMI definition of BFR/PVC Free. External adapters, power cords, peripherals and service parts may be excluded unless otherwise specified.

**Recycled materials:** Based on internal analysis, November 2023. Percentages are based on total system weight.

**Low emissions aluminum:** Based on internal analysis, November 2023. Lid, bottom cover and Palmrest: 75% recycled aluminum and 25% low emissions aluminum

**Recycled glass:** Based on internal analysis, November 2023

**Recycled plastic:** Based on internal analysis, November 2023. The percentage is based on plastic weight.

**Adapter recycled materials:** Based on internal analysis, November 2023. 95% post-consumer recycled plastic in the case and AC socket, 98% recycled aluminum in the adapter shielding and thermal module and 50% recycled copper in the adapter cable, magnetic wires and thermal module.

**Packaging:** Made with 92.4% recycled content and 7.6% renewable content in the form of sustainably forested materials. Excludes optional items added to order and included in box. Paper packaging materials can be recycled via municipal recycling, where available. System bag is made from recycled plastic and can be recycled along with other thin plastics. See local recycling guidelines

**Climate+:** Based on internal analysis, November 2023. Based on EPEAT Climate+ Designations achieved in all applicable countries. EPEAT registered where applicable. EPEAT registration varies by country. See [www.epeat.net](http://www.epeat.net) for registration status and tier levels.
